WHAT'S NEW FOR THE AMBASSADORS

As you know, our Ambassadors are very exceptional individuals who place trust in the Hall of Fame and what it stands for "Preserving Our Racing History"

To fulfill that vision, we have developed the new "Hall of Fame Spotlight" which is sent out to all Ambassadors first, and then later released for the public to read. Our renowned Ray Cunningham interviews one (1) of our Hall of Famer each month and provides information about his/her treasure moments from their racing career. This one-page monthly flyer is another way for us in "Preserving Our Racing History" and provide information that we may never have known.
